Review of The Great Dance

The Great Dance, by Baxter Kruger, is an excellent introduction to Christ-centered theology. Of all the current Trinitarian authors, Kruger is the best at answering the question “who is Jesus?” He is also the clearest and easiest to understand. If you can only read one author, read him. *The Great Dance* makes an excellent introduction because Kruger shows how a correct understanding of the gospel differs from what we have believed and yet speaks to the truth of what the Holy Spirit has always been telling our souls. You can find it at www.perichoresis.org.
