Our Triune God Cherishes Each of Us:

Father, Son, and Spirit, distinct union relationship.
You give us accepting inclusion of adopting sonship.
Jesus came, fully God and fully human, us You save.
Jesus stays, to be in us, Your life for us You gave.

Thankful to land with both feet on the ground.
God helps us get through things that get us down.
God's peace and great comfort will always sustain.
When wounded or damaged from loss, injury, or pain.

Pursuing each of us, God's plan from the very start.
You heal our broken life, You heal our broken heart.
Each, God's special child, Your life with us You share.
Very precious in Your sight, You show us great care.

God's planning for us, Your great awesome mysteries.
God's working these plans, full of Your tender mercies.
You give us everything, we trust You to nurture.
You are our God, our past, our present, and our future.

Father, You give us Your faith, and give us Your grace.
Assuring eternally, we will see Your loving face.
God's life in us and ours in Yours, a total blessing.
Listening to Your Spirit within, gives calm refreshing.

We belong to You, You are compassionate and kind.
A better Lord and Friend, we will never find.
Seeing through Your eyes, Lord, life is beautiful.
Having freedom to be free, to us is quite wonderful.

Knowing God totally loves each of us, is mind blowing.
Us learning to love each other, keeps us growing.
Being still and waiting, we know Your healing touch.
Thank you Triune God for cherishing each of us so much.
