

# The Holy Spirit

*We believe in the Holy Spirit. He is really God, just like the Father and the Son.*

*We believe in the Church, in baptism, that God forgives us, and that we will be resurrected like Jesus to live forever.*

*The Holy Spirit is God:* Just like the Father and the Son the Holy Spirit is loving, good and all-powerful.

**Play a game:** Divide into two teams. The teams take turns coming up with words that describe God the Trinity. Your teacher can write the words on a sheet of paper or white board where everyone can see the words. The team that comes up with the most correct words wins. Every word that describes God (except “Father” and “Son”) also describes the Holy Spirit.

*The Church:* Everyone who believes in the Father, Son and Holy Spirit is part of the Church.

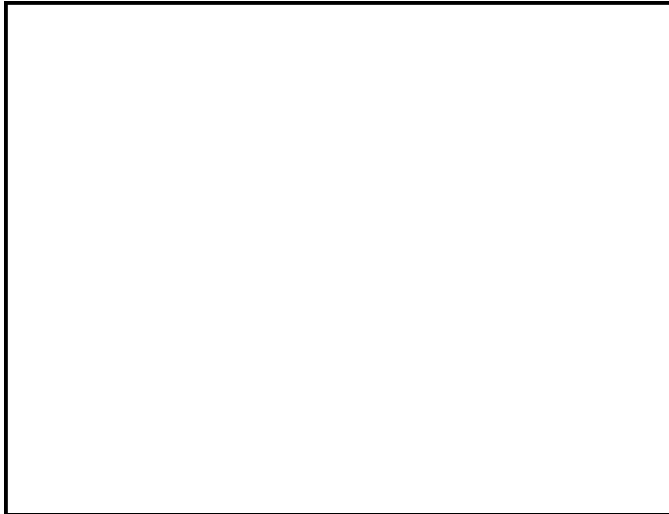

Draw a picture of the Church: draw yourself and one other person you look forward to seeing every Sunday at Church.

**Baptism:** Jesus has made us the Father's children and given us the Holy Spirit. When we believe this we get baptized. Baptism is when we are dipped into the water at church with our family and friends watching.

What's does baptism look like? Draw a picture of someone being baptized.

**Forgiveness of Sins:** Because of Jesus the Father forgives us when we do or say or think something wrong.

**The Life of the World to Come:** After we die we will all be resurrected just like Jesus.

**Play a game:** have all your friends stretch out on the floor and close their eyes. They are pretending to be dead. Have one friend pretend to be Jesus. She goes around the room raising up each person and saying "Welcome to Heaven and the World to Come." This is what Jesus does for everyone. Let each of your friends take a turn being Jesus.
